## Fees and Expenses

Market Value Adjustment (MVA)	Applies during the CDSC period to withdrawals in excess of the contract's free withdrawal amount and does not apply to long-term care event or terminal illness or injury withdrawals or if a death benefit is payable. Not applicable in all states.
Premium taxes	Nationwide will charge against the Contract Value any premium taxes levied by a state or other governmental entity. These charges will be assessed at the time Nationwide is assessed the premium taxes by the state. Requirements may vary from state to state and are subject to change.
Contingent deferred sales charge (CDSC)	Nationwide does not deduct a sales charge from purchase payments upon deposit into the Contract. However, Nationwide may deduct a CDSC if any amount is withdrawn from the Contract. This CDSC reimburses Nationwide for sales expenses. For purposes of calculating the CDSC, surrenders are considered to come first from the oldest purchase payment, then the next oldest etc. Earnings are not subject to CDSC but may not be distributed prior to the distribution of all purchase payments. Note for tax purposes, a surrender is treated as a withdrawal of earnings first.
Commission	Nationwide pays a premium-based commission, asset-based commission or a combination of these to Firms that sell its annuity contracts. The maximum gross commission paid on this contract is listed in the annuity contract.
Marketing Allowance	Nationwide may pay the selling firm a marketing allowance which is based on the firm's willingness to promote Nationwide's products. For more information on the exact compensation arrangement associated with this contract, please consult the advisor.
Penalty-free withdrawal	You have access to a portion of the money in your fixed indexed annuity without incurring CDSC, and MVA if applicable. Please see the free withdrawal schedule in your contract package. Note that withdrawals, if made during the CDSC period, may be subject to CDSC and MVA. Withdrawals prior to age 59 ½ may be subject to a 10% tax penalty.
