Nationwide Intelligent Underwriting

Nationwide's Intelligent Underwriting is available to iPipeline's iGO users. The information below will provide instructions for adding Nationwide as a carrier and enabling the Intelligent Underwriting products.

Add Carriers for iGO

From the **Select Suppliers** screen (**Profile Configuration > Select Suppliers**), you will see a list of carriers.

- Click Nationwide to enable as a carrier
- Click **Save Changes**

The screenshot displays the 'Select Suppliers' interface. On the left, a sidebar contains a 'Select Profile' dropdown set to 'Test Profile' and a 'Profile Configuration' menu with options like 'General Properties', 'Select Applications', 'Select Locations', 'Select Default Location', 'Enable Variable Products', and 'Select Suppliers' (highlighted with a yellow arrow). Below this are sections for 'FormsPipe Configuration', 'Customer Kits Configuration', 'iGo Configuration', 'Product Information', 'LifePipe Configuration', and 'Integration Experience Configuration'. The main area features a 'Save Changes' button (highlighted with a yellow box) and a 'Filter By' dropdown set to 'All Suppliers'. A table lists various suppliers, with a 'Test Profile' column containing checkboxes. A yellow box highlights this column. The suppliers listed are: AAA, ABA Marketing, AGLA, AMICA, AXA Equitable, Accordia Life, A Global Atlantic Company, Aegon, Aetna- AAA- AHLIC, Aetna- AGA- ALIC, Aetna- AHLIC, Aetna- CLI, Aetna-ACI, Allianz Life Insurance Company of New York, Allianz Life Insurance Company of North America, Allstate Life Insurance Company, American Family Life Insurance Company, and American Fidelity International (Bermuda), Ltd. (AFIBL).
