

# Accelerate<sup>1</sup> client applications with Nationwide Intelligent Underwriting

Faster underwriting decisions provide your clients with coverage when they need it

**55%** of preferred applicants  
ages 18-40 are accelerated<sup>2</sup>

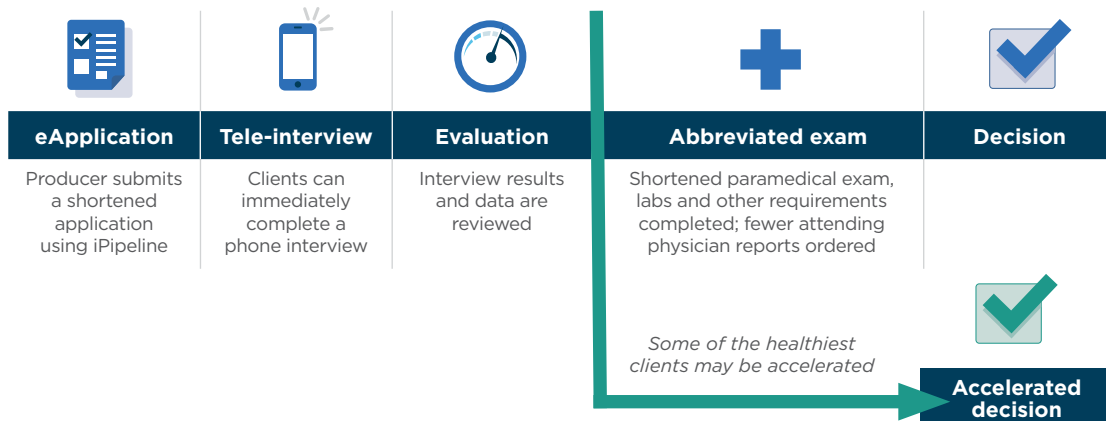

**40%** of preferred applicants  
ages 41-60 are accelerated<sup>2</sup>

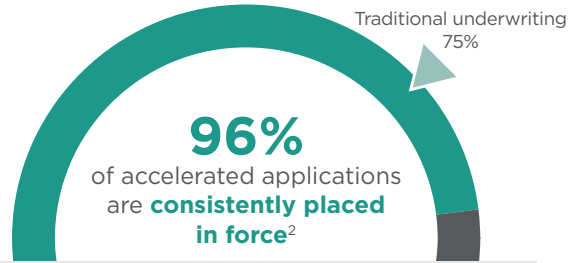

Most accelerated applications receive an underwriting decision

within **48 hours**<sup>2</sup>

The reduced need for medical records saves approximately two weeks in the process.

Consistently outproducing the industry standard saves money and ultimately boosts sales.

<sup>1</sup> "Accelerated" means that a paramedical exam and blood profile with urine sample was not required in the underwriting process.
