Annual income in retirement

Select the range that best fits your actual or estimated post-retirement income (not your income level before retirement.) Use your modified adjusted gross income (MAGI) and assume today's dollars. Your retirement income helps determine the cost for Medicare Parts B & D.

Table with 2 main columns: Married filing jointly: married couples filing a joint tax return; Individual: for single persons filing an individual tax return (Individual 1, Individual 2). Rows show income brackets from \$170,000 or less to more than \$750,000.

Medicare coverage (select only one option)

All Medicare premiums plus additional medical costs will be used as the default option if no other option is selected. Not required for LTC-only reports.
Include Medicare parts A, B, & D plus supplemental insurance premiums and out-of-pocket expenses.
Include Medicare parts A, B & D plus supplemental insurance premiums only.
Include Medicare parts A, B & D only.

* City/metro data will be used if available, if unavailable state-wide averages will be used.
