

Your farm's future is in good hands

Introducing the Land As Your Legacy* team

About

of U.S. farms are operated by families¹

Only

of them have a transition

Without a plan in place, the state you live in will decide how your farm will be distributed. Nationwide's Land As Your Legacy* team partners with your team of financial, legal and tax professionals to help plan a promising future for your family farm or ranch. At no cost to you, we will develop a transition plan focused on 5 key areas to help protect the future for your business and your family.

The 5 key elements of a carefully designed transition plan

- Succession planning
 Creating the path to successfully pass the business to the next generation
- Business planning
 Reviewing the business structure to best protect the financial health of the operation
- Risk management
 Identifying and preparing for risks to the farm operation
- Financial independence
 Creating financial independence from the farm so that the next generation can start receiving income from the operation while the senior operator keeps serving as a mentor
- **5 Estate planning**Getting the documents in place to create an orderly distribution of assets upon death and to settle any liabilities due at that time in a manner consistent with the wishes of the deceased

¹ A 2021 USDA report of statistics compiled from an Agricultural Resource Management Survey of 11,841 farms.
