This material is not a recommendation to buy or sell a financial product or to adopt an investment strategy. Investors should work with their financial professional to discuss their specific situation.

When evaluating the purchase of a variable annuity, your clients should be aware that variable annuities are long-term investment vehicles designed for retirement purposes and will fluctuate in value; annuities have limitations; and investing involves market risk, including possible loss of principal. All guarantees and protections are subject to the claims-paying ability of Nationwide Life Insurance Company.

Variable products are sold by prospectus. Carefully consider the investment objectives, risks, charges and expenses. The product and underlying fund prospectuses contain this and other important information. Investors should read them carefully before investing.
