## 3. 457 to 457 Incoming Assets

The ASRS SSDP Plan Document allows participants who leave one employer and accept a position with a new employer, the option to TRANSFER or ROLLOVER the assets from the first employer. The choice of transfer or rollover will determine when the assets are available for distribution from your NRS account.

I have severed from employment from my previous employer on \_\_\_\_\_ (Month/Day/Year).

### The difference between a transfer and rollover:

- Following a **Transfer**, withdrawal of assets is permitted only when the account holder experiences a distributable event (e.g., Severance of employment or age 70½).
- Following a **Rollover**, withdrawal of assets is permitted at any time pursuant to the account holder's request.

Please make your selection:  TRANSFER  ROLLOVER
