I understand that my participation in the Plan is governed by the terms and conditions of the Plan Document.

457(b) PLANS

1. The total annual contribution amount to all 457(b) plans is the lesser of the maximum annual 457(b) contribution limit or 100% of the participant's includable compensation. This amount may be adjusted annually. More information on the maximum contribution limits can be found at irs.gov and The Plan Document. Under certain circumstances, additional amounts above the limit may be contributed to the Plan if (1) the participant attains age 50 or older during the current calendar year, or (2) the participant is within three years of the Plan's Normal Retirement Age and did not contribute the maximum amount to the 457(b) Plan in prior years. Contributions in excess of maximum amounts are not permitted and will be reported as taxable income when refunded. It is the participant's responsibility to ensure contributions to all 457(b) plans in which he participates, regardless of employer, do not exceed the annual limit.
2. The withholding of my deferred amount by my Employer and its payment to the designated Investment Option(s) will be reflected as early as administratively practicable following the execution of this Participation Agreement. The employer's processing schedule will determine the actual effective date of the contribution. It is the Plan Sponsor's/Pay Center's responsibility to ensure deferrals do not commence too early.
3. The Plan Document governs when distributions may be made from the Plan. In general, distributions may be made from a 457(b) plan only upon separation from service, upon attainment of age 70½, or upon the death of the participant. Section 457(b) plans can also permit withdrawals from the Plan (even if the participant is still employed) in cases of an unforeseeable emergency approved by the Plan; when taking a loan, or for a one-time in-service withdrawal if the participant's account value is \$5,000 or less and the participant has not contributed to the Plan for two or more years. All withdrawals of funds must be in compliance with the Internal Revenue Code (the "Code"), any applicable regulations, and the Plan Document. The participant should consult the Plan Document to confirm which distribution types are available to him or required of him.
4. Designated Roth contributions are made on an after-tax basis and will not be subject to income taxes when distributed at a later time. The earnings on designated Roth contributions are generally not subject to future taxes as long as the distribution from the Roth account satisfies the requirements to be considered a qualified distribution. A qualified distribution must be made five or more years after January 1 of the first year the participant made Roth contributions to the Plan; and it must be made on or after the attainment of age 59½, the participant's death, or the participant's disability. If the participant previously established another designated Roth account in another plan and is eligible to roll the funds from this Plan to the other plan, the five-year period would begin to run from January 1st of the year of the first contribution to a designated Roth account. A non-qualified Roth distribution may result in an additional 10% early withdrawal tax on the portion of the distribution includable in gross income if made from rollovers to this Plan from a qualified plan or a 403(b) plan; no statutory exceptions apply. Please note that once made, contributions and/or rollovers to a Roth account may not be reversed. In the event the participant desires to make contribution changes, only future contributions and/or rollovers can be redirected (contributed as pre-tax funds).
5. Contributions, in the form of salary reductions, will be made until I notify Nationwide or my Plan Sponsor otherwise. Once notification is received, salary reductions will be changed as soon as administratively feasible. Nationwide will invest contributions received from the Plan Sponsor as soon as administratively feasible.
6. Nationwide will assess a \$3.30 quarterly Administration Fee to your 457(b) account on the last business day of each quarter.
7. Participation in any of the employer's plans is governed by the terms and conditions of the Plan Document which should be consulted for plan details. Fund prospectuses are available upon request at Philly457.com or by calling 1-855-550-1777.
8. Generally, distributions from the Plan must begin no later than the April 1 following the year I reach age 73. If I continue to work for this employer beyond age 73, generally, my distributions must begin no later than April 1 following the year I separate from service or retire. The Plan Document should be consulted for further details. Generally, all pre-tax distributions are taxable as ordinary income and are subject to income tax in the year received. Plan distributions must be made in a manner that satisfies the minimum distribution requirements of Code section 401(a)(9), which currently requires benefits to be paid at least annually over a period not to extend beyond the participant's life expectancy. Failure to meet minimum distribution requirements may result in the participant being subject to a 25% federal tax.
9. I understand that if an allocation is made to a closed or unavailable investment option, the allocation will be made to the default option, the Vanguard Target Retirement Fund closets to the participant's retirement date. I understand that if the total investment option allocation percentage equals less than 100%, the difference will be invested in the default option, the Vanguard Target Retirement Fund closets to the participant's retirement date. I understand that if the total investment option allocation is greater than 100%, my application will be rejected and my allocations will not be processed.
10. Any beneficiary designation I made on this form will supersede any prior beneficiary designation and shall become effective on the date accepted by the Plan, provided that this designation is accepted by the Plan prior to my death. Further, any benefits payable at my death shall be paid in substantially equal shares to my beneficiaries unless I specify otherwise. My death benefits will be paid first to my Primary Beneficiaries. If any of my Primary Beneficiaries predecease me, then my death benefits will be paid to the remaining Primary Beneficiaries. Contingent Beneficiaries will only receive benefits if no Primary Beneficiary survives me. If no beneficiary designation is on file, benefits will be paid as set forth in the Plan Document. If I participate in both a 457(b) plan and a 401(a) plan administered by Nationwide, I understand my beneficiary designations made on this form will apply to both plans unless I have indicated otherwise.
11. Participants must notify Nationwide of any address changes, beneficiary changes, contribution changes, allocation changes or errors on the participant's account statement.
12. Participants will receive a statement of their account quarterly.
13. All Plan transactions initiated using the telephone will be recorded for the participant's protection.
