

# Our website delivers administrative simplicity

When you log in to your Nationwide® retirement plan, you'll immediately see the information that is most important to you via our customizable Plan Summary view. You can expect regular enhancements to our website so that plan administration gets even easier for you and your staff members.

## Plan Health Dashboard

Plan Health Dashboard offers you insights into:

- Participant counts and actions
- How your Participants are investing
- Your Participants' retirement readiness progress

## FastPay

FastPay makes submitting payroll and census data faster and easier while securing participant information.

## Task center

To help save you time, the task center streamlines your administrative processes by providing:

- Payroll change notices
- Termination of employment verification for participant distributions

## Resource center

Find plan resources, learn about new capabilities and features, and get information to help fulfill your plan sponsor responsibilities.
