1. Purpose

This booklet contains information and a payment application to help you select a payment method. Your decisions regarding withdrawals from your account may have income tax implications. You may wish to obtain the advice of a tax advisor before you request a withdrawal.

2. Document and IRS Information

The PST Benefit Payment Application (BPA) is enclosed in this booklet. The instructions contained in this booklet summarize the major provisions of federal and State of California tax rules applicable to your payment. Tax rules are complex and contain conditions and exceptions not included in these instructions. You may find more specific information on the tax treatment of payments drawn from retirement plans in the Internal Revenue Service (IRS) Publication 575: Pension and Annuity Income, and IRS Publication 590: Individual Retirement Arrangements. These publications are available from your local IRS office, the IRS website at irs.gov, or contact the IRS Tax Forms Withdrawal Center at (800) 829-3676. For more information on California State tax withholding, refer to Withholding From Pensions, Annuities, and Certain Other Deferred Income, available at edd.ca.gov.

3. Eligibility to Withdraw Funds

To receive payment from your PST account, you must have not had a contribution into or out of your account for a period of 90 days; and

1. You must be separated from State employment; or
2. You must have attained age 59½, regardless of your employment status.

Savings Plus will verify eligibility to withdraw from your PST account before we issue a payment. If you submit the form prior to the 90-day period having ended, the distribution will be pended and processed when it ends. You will be contacted if this occurs.

NOTE: If you have become a permanent employee or have reached 1000 hours in a fiscal year, you are not eligible for withdrawal and your PST balance will automatically be moved to a 457(b) account within 75 days of your employer notifying us.

4. General Information

Payment Dates

We issue payment within 3-5 business days of receipt of a properly completed form. Delivery of payment may vary depending on the type of payment method you request in section 3 of the application.

Payment Information

Payments are issued via direct deposit, at no charge, to one financial institution of your choice or via check ($2 fee deducted from your account) to your address on file.

To issue payment via direct deposit to your financial institution, you must provide the following information:

• Name and 9-digit routing number of your financial institution
• Account number and account type

NOTE: Direct Deposit is not available to financial institutions outside of the United States.

If your financial institution, account number, or routing number changes, you must complete a new Direct Deposit/Debit Authorization Form. Submission of a new Direct Deposit/Debit Authorization Form replaces any previous direct deposit/debit authorization on file. This change may take up to 3-5 business days to become effective.

If any of the required information is incomplete, invalid, or not provided, you will be mailed a check.

Check Fee

A $2 processing fee is charged for each payment you choose to have issued by check. This fee is deducted from your account.

Overnight Mail

If you receive payment by check, you may request to have your check sent to your home address via overnight mail for a $25 fee. The fee is deducted from your account.

Uncashed Checks

Checks are valid for 120 days from the date of issuance. If uncashed after 120 days, the check may not be negotiated by your financial institution. In the event you have a check which remains uncashed for more than 120 days, you must contact the Savings Plus Solutions Center so that a replacement check can be issued.

All information contained in this booklet was current as of the print date. The Plan reserves the right to amend any of the procedures or plan provisions outlined in this booklet or the Plan Document. Such changes may be enacted without prior announcement or the express consent or agreement of plan participants. The Plan Document will govern if any contradiction arises between the terms of the Plan Document and this booklet.
4. General Information (continued)

Lost or Stolen Checks
You may contact the Savings Plus Solutions Center to report a check as lost or stolen if you do not receive it within 14 days from the issue date.

5. Payment Methods

Direct Payment
Your entire account balance is paid directly to you. Savings Plus will report this payment to the IRS as ordinary income.

Combination Direct Payment and Direct Rollover
Your elected portion of the distribution is paid directly to you and Savings Plus will report this payment to the IRS as ordinary income. The remaining portion of your account is directly rolled over to an Individual Retirement Account (IRA) or to another eligible retirement plan.

Required Minimum Distribution (RMD)
Your RMD is the minimum amount you must withdraw from your account each year and will begin in the later of the calendar year in which you attain age 72 or the calendar year in which you retire. However, for the first RMD, you may elect to defer this payment until April 1 of the following calendar year. If you make this election, you will be required to receive two RMD payments for that calendar year. The IRS imposes an excise tax of 50% of the amount not distributed as required.

Direct Rollover
Your account is directly rolled over to an IRA or to another eligible retirement plan. If applicable, Savings Plus must issue your RMD before we process your application. If you return to employment, contact Savings Plus.

6. Tax Withholding Information

Federal Income Tax Withholding
Federal income taxes are withheld based on the payment method. Refer to the 402(f) Special Tax Notice Regarding Plan Payments located in the Forms/Publications/Governing Documents and Reports tab at savingsplusrnow.com.

Direct Payments: The payment is reported to the IRS as ordinary income and is subject to mandatory 20% federal withholding. You may not waive this withholding. If you wish to increase the federal tax withholding, complete section 4 of the application.

For direct payments, if you choose to modify the amount of federal income tax withholding with this form, the modification will only apply to that specific payment. For recurring payments, the modification will apply to all of those payments.

State Income Tax Withholding
All California residents are subject to California State income tax withholding at the rate of 10% of federal withholding unless you request otherwise by completing a California State Withholding Certificate for Pension or Annuity Payments (DE 4P).

California State Withholding Certificate for Pension or Annuity Payments (DE 4P)
A DE 4P allows you to modify the amount of California State income tax withholding from your payment(s). You are not permitted to specify a total dollar amount for withholding. However, you may elect to supplement your withholding amount by designating an additional percentage or dollar amount to be withheld.

For direct payments, if you choose to modify the amount of state income tax withholding with a DE 4P, the modification will only apply to the withdrawal request to which the DE 4P is attached. If the withdrawal request to which the DE 4P is attached sets up recurring payments, the DE 4P will apply to all of those payments. If you live outside California, consult your state taxing authority for more information. The DE 4P form is available at edd.ca.gov or contact the Savings Plus Solutions Center to have one mailed to you.

Required Minimum Distribution (RMD)
The rate of federal tax withholding on your RMD is 10% unless you elect otherwise in section 4 of the application. However, RMD payments made in installments on a recurring basis of 10 years or more will have federal income tax withheld as if you are married claiming three withholding allowances unless you elect otherwise in section 4 of the application.

NOTE: Tax withholding for the portion of the payment that is not the RMD will follow the rules described in this Tax Withholding section.

Form 1099-R Tax Document
For tax reporting, a Form 1099-R will be issued by January 31 of the year following your payment.
