1. Purpose

This booklet contains information and an application to help you select a payment method. Your decisions regarding withdrawals from your account may have income tax implications. You may wish to obtain the advice of a tax advisor before you request a payment.

2. Document and IRS Information

The Withdrawal Request Application is enclosed in this booklet

The instructions contained in this booklet summarize the major provisions of federal and State of California tax rules applicable to your payment. Tax rules are complex and contain conditions and exceptions not included in these instructions. You may find more specific information on the tax treatment of payments drawn from retirement plans in the Internal Revenue Service (IRS) Publication 575 - Pension and Annuity Income, and IRS Publication 590 - Individual Retirement Arrangements. These publications are available from your local IRS office, the IRS website at irs.gov, or contact the IRS Tax Forms Distribution Center at (800) 829-3676. For more information on California state tax withholding, refer to Withholding From Pensions, Annuities, and Certain Other Deferred Income, available at edd.ca.gov.

401(k) Plan Pre-Tax and Roth
You must meet the following criteria to receive payment from your 401(k) Plan:
1. Separated from State service; or
2. Attainment of age 59½, regardless of your employment status.

If you meet any of the following criteria, you can receive payment from your 401(k) Plan without an additional 10% tax for early withdrawal:
1. Separated from State service during or after the year you turned age 55; or
2. Separated from State service during or after the year you turned age 50 if you are a public safety employee; or
3. Attainment of age 59½, regardless of your employment status.

457(b) Plan Pre-Tax and Roth
You must meet the following criteria to receive payment from your 457(b) Plan:
1. Separated from State service; or
2. Attainment of age 59½ or older, regardless of your employment status.

A note about 401(k) and 457(b) Plan Roth withdrawals
A Roth withdrawal will be tax free if the withdrawal is made 5 years or more after January 1 of the calendar year in which the first Roth contribution or Roth conversion was made and the withdrawal was made on account of death, disability, or attainment of age 59½.

401(k) and 457(b) In-Plan Roth Conversion
In order for your In-Plan Roth Converted assets to be reported as tax free at the time of withdrawal, certain criteria must be met. Please consult with your tax preparation professional for additional information.

- Qualified Withdrawal: In order for your In-Plan Roth Converted assets to be considered a qualified withdrawal, you must have attained age 59½, become disabled, or have died AND the conversion has been five years or more from January 1 of the calendar year in which your first Roth contribution was made. Withdrawal of your In-Plan Roth Converted assets before both requirements are met may result in taxation of your earnings.
- Recapture Tax (401(k) only): A 10% recapture tax may apply to your withdrawal if specific age and time requirements are not met. Each In-Plan Roth Conversion will have its own time requirements, so the recapture tax may apply to a portion of the withdrawal even if the withdrawal would be considered to be a qualified withdrawal. Please consult with your tax preparation professional for additional information. For more information please visit savingsplusnow.com.

Savings Plus will verify eligibility to withdraw funds from your 401(k) Plan and 457(b) Plan before we issue a payment.

4. General Information

Public Safety Employees' 10% Early Withdrawal Tax Exception
Certain state and local public safety employees, age 50 and older, who have separated from service are not subject to the additional 10% early withdrawal tax. If you do not declare that you are a public safety employee in section 9 of the application, you will be subject to the additional 10% early withdrawal tax. This exception does not apply to any IRA assets that are rolled into the plan.

All information contained in this booklet was current as of the print date. The Plan reserves the right to amend any of the procedures or plan provisions outlined in this booklet or the Plan Document. Such changes may be enacted without prior announcement or the express consent or agreement of plan participants. The Plan Document will govern if any contradiction arises between the terms of the Plan Document and this booklet.
4. General Information (continued)

PCRA
If you have a Personal Choice Retirement Account (PCRA), it may be necessary to transfer your PCRA funds into your core funds to satisfy the amount of your withdrawal request and maintain the required minimum in your core account.

Payment Dates
We issue payment within 3-5 business days of receipt of properly completed form. Delivery of payment may vary depending on the type of payment method you request in section 6 of the application.

Payment Information
Payments are issued via direct deposit, at no charge, to one financial institution of your choice or via check ($2.00 fee deducted from your account) to your address on file.

To issue payment via direct deposit through a member of the Automated Clearing House (ACH), you must provide the following information:
• Name and 9-digit ACH routing number of your financial institution
• Account number and account type

NOTES: ABA routing numbers on checks are often the same as ACH routing numbers. Contact your financial institution if you are unsure. Direct Deposit ACH is not available to financial institutions outside of the United States.

If your financial institution, account number, or ACH routing number changes, you must complete a new Direct Deposit/Debit Authorization Form. Submission of a new Direct Deposit/Debit Authorization Form replaces any previous ACH authorization on file. This change may take up to 3-5 business days to become effective.

If any of the required information is incomplete, invalid, or not provided, you will be mailed a check.

Check Fee
A $2.00 processing fee is charged for each payment you choose to have issued by check. This fee is deducted from your account.

Overnight Mail
If you receive payment by check, you may request to have your check sent to your home address in overnight mail for a $25.00 fee. The fee is deducted from your account.

Uncashed Checks
Checks are valid for 120 days from the date of issuance. If uncashed after 120 days, the check may not be negotiated by your financial institution. In the event you have a check which remains uncashed for more than 120 days, you must contact the Savings Plus Solutions Center so that a replacement check can be issued.

Lost or Stolen Checks
You may contact the Savings Plus Solutions Center to report a check as lost or stolen if you do not receive it within 14 days from the issue date.

Specific Money Source or Fund Designation
You may request to have your payment issued from a specific money source or fund.

Savings Plus prorates all payments among your core funds unless you request otherwise in section 5 of the application.

5. Payment Methods

One-Time Payment
A specific percentage or dollar amount paid directly to you. Savings Plus will report this payment to the IRS as ordinary income.

Periodic Payments
Reoccurring payments of a fixed dollar amount or that extend over a fixed period of time, will be issued until the total account balance has been paid.

Fixed Period and Fixed Amount payments that continue beyond age 73 will remain the same and any residual Required Minimum Distribution (RMD) due to you will be paid out as part of the normal RMD processing.

• Fixed Period: Monthly, quarterly, or annual payments calculated by dividing your account balance by the period of time (months/years) for which you wish to receive payments. Your payments will be recalculated annually, so that your account balance will be exhausted at the end of your payment schedule.

• Fixed Amount: Payments of the same amount monthly, quarterly, or annually. If your payments are projected to continue beyond your life expectancy, you will receive an annual supplemental payment to meet the RMD.

Required Minimum Distribution (RMD)
Your RMD is the minimum amount you must withdraw from your account each year and will begin in the later of the calendar year in which you attain age 73 or the calendar year in which you retire. However, for the first RMD you may elect to defer this payment until April 1 of the following calendar year. If you make this election, you will be required to receive two RMD payments for that calendar year. The IRS imposes an excise tax of 25% of the amount not distributed as required.

Direct Rollover
If you would like to roll your account over to an Individual Retirement Account (IRA), or to another eligible retirement plan, please contact the Savings Plus Solutions Center. If applicable, Savings Plus must issue your RMD before we process your application. If you return to employment, contact Savings Plus.
6. Tax Withholding Information

Federal Income Tax Withholding
Federal income taxes are withheld based on the payment method as outlined in the 402(f) Special Tax Notice Regarding Plan Payments. If you would like to modify your federal or state tax withholding, you must complete the applicable tax form(s). These documents are located in the Forms, Publications, Governing Documents & Reports tab at savingsplusnow.com

- Direct Payments and Periodic Payments of Less Than 10 Years: The payment is reported to the IRS as ordinary income and is subject to mandatory 20% federal withholding. You may not waive this withholding. If you wish to increase the federal tax withholding, submit a Withholding Certificate for Nonperiodic Payments and Eligible Rollover Distributions (Form W-4R) with this application.
- Recurring Payments for 10 Years or More: Recurring payments that extend for a period of 10 years or more are reported to the IRS as ordinary income. Federal income taxes are withheld at the rate that applies to single and zero allowances unless you elect 0% by completing section 7 of the application. If you wish to increase the federal tax withholding, submit a Withholding Certificate for Periodic Pension or Annuity Payments (Form W-4P) with this application.

State Income Tax Withholding
All California residents are subject to California State income tax withholding at the rate of 10% of federal withholding unless you request otherwise by completing a California State Withholding Certificate for Pension or Annuity Payments (DE 4P).

California State Withholding Certificate for Pension or Annuity Payments (DE 4P)
A DE 4P allows you to modify the amount of California State income tax withholding from your payment(s). You are not permitted to specify a dollar amount withholding on the DE 4P. However, you may elect to modify your withholding amount by designating an additional dollar amount to be withheld or claiming exempt.

For direct payments, if you choose to modify the amount of state income tax withholding with a DE 4P, the modification will only apply to the withdrawal request to which the DE 4P is attached. If the withdrawal request to which the DE 4P is attached sets up recurring payments, the DE 4P will apply to all of those payments. If you live outside California, consult your state taxing authority for more information. The DE 4P form is available at edd.ca.gov or contact the Savings Plus Solutions Center to have one mailed to you.

Required Minimum Distribution (RMD)
The rate of federal tax withholding on your RMD is 10% unless you elect 0% in section 7 of the application. If you wish to increase the federal tax withholding, submit a Form W-4R with this application.

NOTE: Tax withholding for the portion of the payment that is not the RMD will follow the rules described in this Tax Withholding section.

Form 1099-R Tax Document
For tax reporting, a Form 1099-R will be issued by January 31 of the year following your payment.
