# City of Santa Monica 457(b) Deferred Compensation Plan Memorandum of Understanding

Page 3 of 4

1. I understand that my participation in the Plan is governed by the terms and conditions of the Plan Document. The product information brochure and fund prospectuses are available upon request at [santamonicadc.com](http://santamonicadc.com) or by calling 1-877-NRS-FORU.
2. The total annual deferral amount to all 457(b) plans is the lesser of \$19,500 or 100% of includible compensation. Under certain circumstances, additional amounts above the limit may be deferred into the Plan if (1) I will attain age 50 or older during the current calendar year, or (2) I am within three years of Normal Retirement Age and did not defer the maximum amount in prior years. The Plan Document provides additional details about deferral limits. Deferrals in excess of maximum amounts are not permitted and will be considered taxable income when refunded. It is my responsibility to ensure my deferrals do not exceed the annual limit.
3. I may withdraw funds from the Plan only upon severance from employment; at age 70½ (if deferrals have stopped); upon an unforeseeable emergency approved by the Plan; or I may take a one time in-service withdrawal if my account value is \$5,000 or less (as adjusted) and I have not deferred into the Plan for two or more years. In some cases withdrawal for purchase or repayment of service credits in a governmental defined benefit plan may be permitted. Additionally, funds may be withdrawn upon my death. All withdrawals of funds must be in compliance with the Internal Revenue Code and applicable regulations, some of which are expressed in the Plan Document.
4. Generally, you must begin taking distributions from the Plan no later than April 1 following the year you reach age 73. If you continue to work for this employer beyond age 73, (75 for an individual who attains age 74 after December 31, 2032), generally, your distributions must begin no later than April 1 following the year you separate from service or retire. Please consult the Plan Document for additional information. All distributions are taxable as ordinary income and subject to income tax in the year received. You must take distributions in a manner that satisfies the minimum distribution requirements of Section 401(a)(9) of the Code, which currently requires benefits to be paid at least annually over a period not to extend beyond your life expectancy. Failure to meet minimum distribution requirements may result in the payment of a 25% federal excise tax.
5. The funds in my account may be eligible for rollover to a traditional or Roth IRA or to an eligible retirement plan. The "Special Tax Notice Regarding Plan Payments" provides detailed information about my options. Due to important tax consequences related to distributions, I have been advised to consult a tax advisor. I expressly assume the responsibility for tax consequences relating to any distribution, and I agree that neither the Plan nor the Plan Administrator shall be responsible for those tax consequences.
6. I understand that all amounts deferred into the plan and earnings on the amounts deferred are held in a trust, custodial account or annuity contract for the exclusive benefit of the participants and their beneficiaries until such time as the deferred amount is made available to the participant or beneficiary.
7. I understand that all products are optional.
8. I understand I must defer a minimum of \$20 per month into the Plan to satisfy minimum plan requirements.
9. I understand that I may make changes among the investment options within my account as frequently as daily, but any change may be subject to the restrictions of the Plan and/or the investment provider. Some mutual funds may impose a short term trade fee. Please read the underlying prospectuses carefully. Changes may be made by calling 877-NRS-FORU (877-677-3678) or logging on to [santamonicadc.com](http://santamonicadc.com).
10. I understand that no changes will be effective until they are processed in the Deferred Compensation Service Center.
11. Enrollment or contribution changes will be made according to your plan document provisions, following receipt of the participant's request. The employer's processing schedule will determine the actual effective date of the contribution. It is the Plan Sponsor's/Pay Center's responsibility to ensure deferrals do not commence too early.
12. If the total investment option allocation percentage equals less than 100%, the remainder will be allocated to the Plan's default option, the Nationwide Fixed Fund. If the total investment option percentage exceeds 100%, 100% of your contributions will be allocated to the Nationwide Fixed Fund.

## FIXED OPTION

1. The Fixed Option is comprised of products offered by Nationwide Life Insurance Company.
2. The interest yield in the Nationwide Fixed Fund will be declared each quarter and will be a blended rate based upon the interest yield provided by the companies and the assets in the fund.
3. Exchanges and/or transfers from the Fixed Annuity may be made up to 100% of my account value.
4. I may elect up to four exchanges/transfers out of the Nationwide Fixed Annuity within a calendar year. Additionally, a 5-year Exchange/Transfer provision allows for the systematic movement of 100% of my account value out of the Fixed Account on a monthly basis over a five-year period. If elected, I cannot defer, exchange, or transfer into my Fixed Account for the 5-year term without canceling the Provision.  
**Exchange** - An exchange is the movement of money between the Nationwide Life Fixed and Variable Annuity options and/or between the funds in the Variable annuity option.  
**Transfer** - A transfer is the movement of money between product providers within the same plan.
5. Nationwide may earn a spread on assets held in the Nationwide Fixed Account, which is reflected in the crediting rate. The spread represents the difference between what Nationwide earns on investments and what it credits to the Fixed Account as interest.

**VARIABLE OPTION**

1. I understand that retirement income payments and termination values (if any), provided by the contract are variable when based on the investment experience of a separate account and are not guaranteed as to the dollar amount.
2. Nationwide charges a fee of 35 basis points for the Santa Monica Credit Union. For all other funds, Nationwide does not charge an explicit fee on participant accounts.

**MORLEY STABLE VALUE RETIREMENT FUND**

1. The Morley Stable Value Retirement Fund is not a mutual fund.
2. I understand that an administrative fee is deducted daily from this short term investment option, not to exceed the Maximum Variable Account Annual Expense Fee above.
3. I understand that exchanges to competing investment options must be held in a non-competing investment option for a minimum of 90 days before I can subsequently transfer to a competing option.
