

# Invesco V.I. Global Real Estate Fund — Series I Shares

#### Investment Strategy from investment's prospectus

The investment seeks total return through growth of capital and current income. The fund invests at least 80% of its net assets in securities of real estate and real estate-related issuers, and in derivatives and other instruments that have economic

Past name: AIM V.I. Global Real Estate I.

## **Category Description: Global Real Estate**

Global real estate portfolios invest primarily in non-U.S. real estate securities, but may also invest in U.S. real estate securities. Securities that these portfolios purchase include: debt and equity securities, convertible securities, and securities issued by Real Estate Investment Trusts (REITs) and REIT-like entities. Portfolios in this category also invest in real-estate operating companies.
