

# American Funds Insurance Series® Global Small Cap Fund — Class 4

## Investment Strategy from investment's prospectus

The investment seeks long-term growth of capital. Normally, the fund invests at least 80% of its net assets in growth-oriented common stocks and other equity type securities of companies with small market capitalizations, measured at the time of purchase.

## Category Description: Global Small/Mid Stock

World small/mid stock portfolios invest in a variety of international stocks that are smaller. World-stock portfolios have few geographical limitations. It is common for these portfolios to invest the majority of their assets in developed markets, with the remainder divided among the globe's smaller markets. These portfolios typically have 20%-60% of assets in U.S. stocks.
