The investment seeks to provide a high level of current income consistent with prudent investment risk and preservation of capital. Normally, the fund invests at least 80% of its assets will be invested in securities that are guaranteed or sponsored

Past name: American Funds IS Govt/AAA-Rtd Secs4.

## Category Description: Intermediate Government

Intermediate-government funds concentrate on bonds backed by the U.S. government or by government-linked agencies. This backing minimizes the credit risk of these funds, as the U.S. government is unlikely to default on its debt. These funds have durations typically between 3.5 and six years. Consequently, the group's performance—and its level of volatility—tends to fall between that of the short government and long government bond categories.
