

Release Date: 09-30-2018

Fidelity® VIP Overseas Portfolio — Service Class

Investment Strategy from investment's prospectus

The investment seeks long-term growth of capital. The fund normally invests at least 80% of assets in non-U.S. securities. It allocates investments across different countries and regions. The fund primarily invests in common stocks. It uses fundamental analysis of factors such as each issuer's financial condition and industry position, as well as market and economic conditions, to select investments.

Past name: Fidelity VIP Overseas Svc.

Category Description: Foreign Large Growth

Foreign large-growth funds focus on high-priced growth stocks, mainly outside of the United States. Most of these funds divide their assets among a dozen or more developed markets, including Japan, Britain, France, and Germany. They tend to invest the rest in emerging markets such as Hong Kong, Brazil, Mexico and Thailand. These funds typically will have less than 20% of assets invested in U.S. stocks.

Volatility Analysis

In the past, this investment has shown a wide range of price fluctuations relative to other investments. This investment may experience significant price increases in favorable markets or undergo large price declines in adverse markets. Some of this risk may be offset by owning other investments that follow different investment strategies.
