

Invesco V.I. Diversified Dividend Fund — Series I Shares

Investment Strategy from investment's prospectus

The investment seeks to provide reasonable current income and long-term growth of income and capital. The fund will invest at least 80% of its net assets (plus any borrowings for investment purposes) in common stocks of companies which pay dividends

Past name: Invesco VI Dividend Growth Ses I.

Category Description: Large Value

Large-value funds invest primarily in big U.S. companies that are less expensive or growing more slowly than other large-cap stocks. These funds often feature investments in energy, financial or manufacturing sectors.

Volatility Analysis

In the past, this investment has shown a relatively moderate range of price fluctuations relative to other investments. This investment may experience larger or smaller price declines or price increases depending on market conditions. Some of this risk may be offset by owning other investments with different portfolio makeups or investment strategies.
