Janus Henderson VIT Global Technology Portfolio: Service Shares

Investment Strategy from investment's prospectus

The investment seeks long-term growth of capital. The fund pursues its investment objective by investing, under normal circumstances, at least 80% of its net assets (plus any borrowings for investment purposes) in securities of companies that the portfolio managers believe will benefit significantly from advances or improvements in technology. The fund may invest in a single country. It may have significant exposure to emerging markets. The fund may also invest in U.S. and foreign debt securities.

Past name: Janus Henderson Global Technology Svc.

Category Description: Technology

Technology portfolios buy high-tech businesses. Most concentrate on computer, semiconductor, software, networking, and Internet stocks. A few also buy medical-device and biotechnology stocks, and some concentrate on a single technology industry.
