

Release Date: 03-31-2019

Neuberger Berman NVIT Socially Responsible Fund — Class II

Investment Strategy from investment's prospectus

The investment seeks long-term growth of capital by investing primarily in securities of companies that meet the fund's financial criteria and social policy. The fund invests primarily in equity securities of mid- to large-cap companies that the subadviser believes follow principles of good corporate citizenship, as demonstrated by leadership in environmental concerns and progressive workplace practices, including diversity and community relations. It may invest in the securities of companies located or conducting business outside of the United States.

Past name: Neuberger Berman NVIT Socially Res II.

Category Description: Large Blend

Large-blend funds have portfolios that are fairly representative of the overall U.S. stock market in size, growth rates, and price. They tend to invest across the spectrum of U.S. industries, and owing to their broad exposure, the portfolios' returns are often similar to those of the S&P 500 Index.

Volatility Analysis

In the past, this investment has shown a relatively moderate range of price fluctuations relative to other investments. This investment may experience larger or smaller price declines or price increases depending on market conditions. Some of this risk may be offset by owning other investments with different portfolio makeups or investment strategies.
