

VanEck VIP Global Resources Fund — Class S

Investment Strategy from investment's prospectus

The investment seeks long-term capital appreciation by investing primarily in global resource securities; income is a secondary consideration. The fund invests at least 80% of its net assets in securities of global resource companies and instruments

Past name: VanEck VIP Global Hard Assets S.

Category Description: Natural Resources

Natural-resources portfolios focus on commodity-based industries such as energy, chemicals, minerals, and forest products in the United States or outside of the United States. Some portfolios invest across this spectrum to offer broad natural-resources exposure. Others concentrate heavily or even exclusively in specific industries. Portfolios that concentrate primarily in energy-related industries are part of the equity energy category.
