

You have the power to help protect your family.

It's quicker and easier than you think with Nationwide®.

How many times a day do you think about your loved ones? From that day's to-do list to college, careers and retirement, you probably can't count them all. Do you ever worry about how these things would be affected if something unexpected happened to you?

Life insurance is a simple way to help ensure your family and the plans you have for the future are protected — even after you're gone.

Plus, life insurance may be more affordable than you think. The monthly premiums below are for male and female nontobacco users in good health, and they're guaranteed not to increase for 20 years. Keep in mind that the actual rates will vary based on sex, health, age, tobacco use and family history.

Be sure to choose a product that meets long-term life insurance needs, especially if personal situations change — for example, marriage, birth of a child or job promotion. Weigh the costs of the policy, and understand that life insurance has fees and charges that vary with sex, health, age and tobacco use. Riders that customize a policy to fit individual needs usually carry an additional charge.
